The following records were found in Tax Record Book 1 for Harrison County

Note: I tried to copy the spellings as they were in the lists, but that doesn't mean I didn't lapse and wrote it as we spell it now.

Greathouses were not found in 1784

Greathouses were not found in 1785

Greathouses were not found in 1786 which was taken in April-*[John Greathouse and William Greathouse Jr signed the petition for a new road to the mouth of the Little Kanawha which was put out for signatures on two court days (court was held the third Monday of each month) prior to October and it was approved in October 1786], {looks like they may have come to Harrison County, WV between April 1786 and possibly two months prior to the approval so we are looking at May, June, July, August as possibilities}*
